

# Developing & Empowering *Future Leaders* of our Region

As an established sub-committee of the Chamber, Future Leaders specifically targets the city's younger professionals, continuing to inspire development and growth opportunities today, empowering the leaders of tomorrow. Since its inception in 2008, Future Leaders has already developed a strong identity of its own, with a dynamic and energetic executive team of locally-focussed young people driving it.

## ● CONNECT ● GROW ● LEAD ●

- **More Than Networking** – innovative opportunities for members to network amongst their peers, establish a strong local presence and develop ongoing business relationships.
- **Mentor Program** – grow perspectives and build meaningful connections through sharing experience and wisdom from local leaders within Toowoomba's Chamber of Commerce community.
- **Quarterly Engagement** – Future Leaders Connect are abuzz with energy and enthusiasm, and offer great opportunities to meet, connect and grow in an informal yet structured setting.
- **Professional Development** – focussed on growing skills and boosting engagement, Future Leaders provides a forum for growth across personal and professional platforms including the Future Leaders Boardroom Lunch series.
- **Inspiring Enthusiastic Leaders** – recognise and unleash the potential within themselves, giving them the confidence to succeed.

For more information on upcoming events, visit our online calendar or email [admin@toowoombachamber.com.au](mailto:admin@toowoombachamber.com.au) now. Membership to Future Leaders is included in Chamber Membership. As such members are able to send their young professionals aged 18-35 to Future Leaders events for free. Individual Membership is also available for people in the 18-35 age bracket involved in business or industry in the Toowoomba Region, not employed by a Chamber Member business.
