SMALL BUSINESS EXCHANGE

THE EXCHANGE

Do you have a product and/or service you want to share with our regions Small Business community? Exhibit your business at the Small Business EXCHANGE.

SME's from across our region, representing all industries, have the opportunity to showcase their business and products to decision makers and clients looking for new vendor solutions and supply chain opportunities. There is no better place that you can connect with hundreds of engaging businesses and cultivate new business opportunities in one day.

EXHIBITOR ADVANTAGES

- Put your business in front of engaged customers and decision-makers in one place and in one day
- State wide event promotion as part of 2019 Queensland Small Business Week
- Reach hundreds of small businesses operators in your target demographic and gain exposure in new markets
- Create connections, generate new leads and strengthen business networks
- Discover collaborative and profitable business opportunities with other exhibitors and attendees
- Build your prospect and email database with new business leads

GUARANTEED ROI

Exhibiting at the Small Business EXCHANGE is more than just exposure – it is active marketing, directly to business decision-makers who could be your next customer or client. Exchange ideas and information whilst building your brand locally and generating new leads and partnerships.
