ABOUT THE *Chamber*

The Toowoomba Chamber of Commerce is an independent organisation that advocates on behalf of local businesses at local, state, and federal levels to ensure the business community has a voice.

The Toowoomba Chamber plays a critical role in connecting members across the local business community to establish and grow strong, lasting networks as well as explore opportunities to access supply chain networks and build member's brands.

Through its full program of networking events the Chamber provides members with a platform to strengthen their existing networks, develop new contacts and connect with business leaders to maximise growth opportunities for their business. Chamber members can also contribute to key strategic projects to ensure business requirements are considered while helping to shape the future direction of the local business community.

With more than 350 members across the region, Toowoomba Chamber membership is one of the most cost effective and beneficial peak member organisations that businesses can belong to. As the largest regional Chamber of Commerce in Australia, the Toowoomba Chamber prides itself on being independent and strives to support, represent, and inform the local business community.
