Fund the design and business case to enable a Toowoomba Conference and Events Centre, Community Infrastructure and associated uses.
<ul style="list-style-type: none">• Fund the design and business case to enable a Toowoomba Conference and Events Centre, Community Infrastructure and associated uses.
Candidate Position/Response
Toowoomba would benefit from a Conference and Events centre to bring bigger artists and events to the area.
Create a national Regional Infrastructure Fund.
<ul style="list-style-type: none">• Create a national Regional Infrastructure Fund.
Candidate Position/Response
Regions like the Groom electorate are often over looked for infrastructure funding. A national fund to ensure the vibrancy of the regions, job security and job growth would be a great solution to the increased centralisation and disappearance of small communities.
Secure funding for the agricultural sector for food security and climate variation initiatives for individuals, not just organisations.
<ul style="list-style-type: none">• Secure funding for the agricultural sector for food security and climate variation initiatives for individuals, not just organisations.
Candidate Position/Response
Australian individual farmers are being robbed of the future and need to be supported through these tough economic times. We are literally losing the family farm right now and Australians are supporting international corporations over our own famers. If Australia is to return to our previous prosperity we must support Australian farmers.
Increase the instant write-off for primary producers and small business
<ul style="list-style-type: none">• Increase the instant write-off for primary producers and small business
Candidate Position/Response
I support this
Create a national economic framework for regional, rural and remote areas.
<ul style="list-style-type: none">• Create a national economic framework for regional, rural and remote areas.

Absolutely fantastic idea
Create a mechanism to interrogate and remove excessive, unnecessarily complex regulation.
<ul style="list-style-type: none">• Create a mechanism to interrogate and remove excessive, unnecessarily complex regulation.
Candidate Position/Response
One Nation seeks to reduce red, green and blue tape from all areas of government.
Ensure Inland Rail to Gowrie is build as soon as possible.
<ul style="list-style-type: none">• Ensure Inland Rail to Gowrie is build as soon as possible.
Candidate Position/Response
One Nation strongly supports build an Inland Rail to Gowrie however has an alternate route. One Nation supports an internodal being built in this region with rail onward to Gladstone, where the port is undertaking massive upgrading and road traffic to Brisbane. One Nation has identified issues with the current plan and has consulted widely to develop a better more cost effective and sustainable route.
Secure funding to deliver infrastructure for our region - for example faster rail between Toowoomba and Brisbane, water security, a sports stadium.
<ul style="list-style-type: none">• Secure funding to deliver infrastructure for our region - for example faster rail between Toowoomba and Brisbane, water security, a sports stadium.
Candidate Position/Response
The fast rail project has been discussed for too long it is time for action. One Nation has an extensive policy on water security.
Candidate Position/Response
One Nation has several alternative policies for increasing the availability of affordable housing to the regional communities.
