Youth Access Worker & Community Engagement | 2021 - 2023

In my role, I was responsible for case management, intakes, and outreach in youth mental health and family support. I also implemented strategic business development and community engagement initiatives, including volunteer recruitment and training, building key stakeholder relationships, and leading public committees and evaluations.

WORK EXPERIENCE CONT.

Longboard Family Inc. CEO & Founder | 2015 - 2022

As Founder of Longboard Family Inc. I led an organisation, developed and implemented state-wide programs in collaboration with the Department of Education, Brisbane City Council, Ipswich City Council and Logan City Council. As part of the day to day operations, my responsibilities included recruitment, employee relations, talent development and training.

SNV World Communications Consultant / Multi-National | 2012 - 2015

At SNV World I managed all internal and external communications as well as strategic public relations, events and scientific publications with sole-responsibility of promoting SNV's multinational REDD+ program in Southeast Asia, East, Central and Western Africa, and South America.

Nintendo and SEGA Austria Events & Promotions Team Leader | 2009 - 2011

While attending university in Vienna, I was offered a team leadership opportunity to train staff, and coordinate events and promotions for Nintendo and SEGA Austria on a nationwide scale, including POS marketing and promotions at gaming conventions.

Federal State Government Austria (Youth and Families) Events & Public Relations | 2005 - 2007

Across several seasons, I was able to assist the Department of Youth and Families with events promotion and public relations to grow public street art and music festivals in Austria. While becoming an integral part of the annual youth event program, I was assigned team leadership across multiple LG programs.
